Six Substanial Reasons Why you should Insure in the

Penn Mutaul Life Insurance Company, PHILADELPHIA, PA.

1st. Because it is one of the oldest Com panies in the country, and past the day of ex periments. 2d. Because it is a purely Mutual Company Every Policy-Holder is a member of the Com-pany, entitled to all its advantages and pri vileges, having a right to vote at all election for Trustees, and thus has an influence in its

management.

3d. Because it has as large a percentage of assets to liabilities as any Life Insurance Company in the country.

4th. Because, by economical management, its ratio of archive to the country. its ratio of expenses to total income is far below the average of 1 ife Companies. (See

official Insurance Reports.)

5th. Because it has declared more dividends in number, and of a larger average percentage, than any other Company in the United States.

For example: Policy No. 16, for \$5,000, has been paid to the widow of a Philadelphia Merchant upon which twenty-three divi-dends had been declared, averaging fifty

A BRIEF HISTORY:

The following is from the haleigh News and was a voluntary insertion and not an advertisement:

"Years ago an old Indian left a receipt for curing Scrotula with Mrs Person's father, Mrs. Person lives in Franklinton, or in that section. A child was born to Mrs. Person, and it had the Scrofula. The doctors gave it up to die. She thought of that receipt, that was now old and musty, and hid away in an upstairs drawer. She concluded if the child was bound to die, it wouldn't hurt to follow that receipt. She went out and gathered th herb, got the whiskey, and did as airected the child. Her child now lives well an hearty. More than this : Only a few months since a South Carolinian, whose name has slipped us, was suffering with some scrolu-lous affection on the heel lie had been to lous affection on the heel He had been to the Hot Springs in Arkansas, and from there he went to Kittrell Springs. Nothing did him any good. At Kitt ell's they told him of Mrs. Person's recipe, and Dr. — wrote to Mrs Person if she cured that South Carolinian her receipt was worth money. And the South Carolinian sent her word if she cured him he would give her five him dred dollars. She sent him directions what to do, and added if they cured him he could send her twenty-five dollars; she wouldn't ask five hundred. The south wouldn't ask five hundred. The south Carolinian weat home, and shor ly after-ward sent Mrs. Person a check for twenty-five dollars, and wrote the most grateful let ter he knew how. Bless those old indians. We would like to have one for a near neigh

THREE CHILDREN IN THREE WEEK . CASTALIA N. U

Mas JOE PERSON : Dear Madame -- Your letter his been re ceived, and on account of being absent from nome for a week or two, have not had the opportunity to answer it. I certainly will take great pleasure in doing all that is with in my power towards getting you patients for treatment of scioula. I hardly know how to express my gratitude to you for cuing my three little children. They took medicine from my family physician for about two years, with scarcely any relief at all. I tried your remedy, and in less than three weeks they were all perfectly cured, and have never shown any sign of breaking out again. I feel very thankful to you. I can again. I feel very thankful to you. I can safely say that I believe your remeay to be a certain cure for Scrofula. If I can ever be of any service to you in any way, I want you to be sure and call on me, Yours truly, WM. H. ARKINGTON,

My receipt for the cure of Scrofula has been tried by me With the most unpreceden ted success for the last twelve years, and l have no hesitation in recommending it as a sovereign cure for that disease and as a general Tonic and Blood Purmer, it is every where giving perfect satisfaction, while my experience with it is too limited for me to specially recommend it for other diseases I believe it will ultimately prove to be of benefit in all cases arising from impurity o he blood' and probably for other diseases

AS A TONIC AND ALTERATIV MOORESVILLE, IREDE L Co., N. C.

Being desirous of adding my testimonic to thers, concerning the merits of Mrs. J. Person's Remedy for Scrofula, I take ple s ure in saying that as a tonic and alterative I do not think it has an equal. I have fairlested it, and after trying Vegetine. Sar a parilla, Vinegar Bitters, and various otas remedies, I have no hesitation in pronou ning it far superior to any IONIC I have ene used. When I commenced using Mrs Person's Remedy I was very weak. completion sallow, and now I am WELL, espectfully your friend.

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs,

Whooping Cough,

Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.
